

~ Lily Onken ~

Lily took her first class at our studio as a little girl. Thirteen years later she's still dancing here and assisting classes. Her years of experience and working with our students, prepared her for her journey here as an Instructor. Lily's dance experience includes Ballet, Tap, Jazz, Contemporary, Lyrical, Pointe and Musical Theater. Her four years on our performance team led her to dance locally and out of state. These venues include The Evergreen State Fair, AquaSox stadium, Lights of Christmas, Seattle Center festivals, Leavenworth and more! A highlight performance was on a Disneyland stage and parade. With this background she is able to show her students how to shine on stage! This is Lily's fourth year inspiring students.
