

## ~ Lily Onken ~

Lily took her first class at our studio as a little girl. Twelve years later she's still dancing here and assisting classes. Her years of experience and working with our students, have prepared her to begin her journey here as an Instructor. Lily's dance experience includes Ballet, Tap, Jazz, Contemporary, Lyrical, Pointe and Musical Theater. Her four years on our performance team led her to dance locally and out of state. These venues include Evergreen State Fair, AquaSox games, Lights of Christmas, Seattle Center festivals, Leavenworth and more. A highlight performance was on a Disneyland stage and parade. She'll certainly be able to show her students how to shine on stage! This is Lily's second year, inspiring her students with unique genuine care.
